Draft Registration

Statement on Form S-1

Submitted April 2,

2021

CIK No. 0001853044

Dear Mr. Webb:

We have reviewed your draft registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments.

Our Acquisition Process, page 7

1. Please clarify here that the low price the founders paid for the founder shares creates an incentive whereby your officers and directors could potentially make a substantial profit even if you select an acquisition target that subsequently declines in value and is unprofitable for public investors. As a separate matter, add a risk factor that explains how these incentives create a risk to potential investors.
